

ALUUC Senior Youth Group

Grades 9th thru 12th

Senior Youth Group Advisors: Buffy Lael, Scott Wade and Kelly Anderson

The Sr. Youth program follows the UUA principles for building a strong youth program. These components consist of:

- Worship
- Leadership
- Social Action
- Adult-Youth Relations
- Community Building
- Learning

Youth advisors and youth spend the church year doing several activities focusing on a number of the above components. The youth gather together most Sunday afternoons from 3p.m.-5p.m. and all high school youth (or home school equivalent) are invited to attend!

The ALUUC Sr. Youth view the group as a family and as a safe place to come for friendship and support. We strive to encourage each other any way that we can as we all are part of the human experience!

We recently hosted a conference for the youth in our district and learned many lessons about ourselves, our faith and our ability to become leaders. We hope to continue to grow with those experiences and meet even greater challenges as a group! Video link: <http://www.youtube.com/watch?v=utfTQj8qoxo>
